 - You will be informed on raceday as to what gear goes in which bag – FAR Inc. will transport the appropriate bag to each Transition Area.
 - Both bags must be large enough to contain three life jackets.
 - Additional items are permitted (eg. see Recommended Gear List) to help you and your team during the race – no banned gear of course (eg. outside maps) as per the Salomon Adventure Challenge Rules & Regulations.

GEAR LIST INFORMATION & RECOMMENDATIONS

GEAR CHECK

During the Race - You will be faced with a Gear Check before leaving a predetermined TA on the racecourse. A selection of three to four items from the full Mandatory Gear List will be asked for and a penalty per any missing item will be levied (eg. time penalty or disqualification).

On-Site Registration - The only items checked before the race begins (prior to receiving your Salomon AC t-shirts) will be:

- 3 Life Jackets (DOT, CDN Coast Guard, USA Type III or higher)
- 1 Throw bag or 15m length of rope with floatation device on one end (eg. empty, air-tight bottle)
- 2 Hockey-sized bags and (if applicable) personal paddle bag/method of binding paddles together
- 3 Whistles
- 1 FRS Two-Way Radio (eg. Motorola Talkabout) in 2 Zip-Loc bags (protect against water damage)
- Spare batteries for FRS Two-Way Radio

RATIONALE FOR FRS TWO-WAY RADIO REQUIREMENT

In order to keep entry fees as low as possible while maintaining the wilderness aspect and stringent safety standards of the Salomon Adventure Challenge Series, FAR Inc. requires all teams to have a working FRS Two-Way radio. We are not comfortable with including the off-trail portions of our races (eg. a statistically significant number of 2002 participants actually asked for more off-trail sections) without taking this necessary step in the name of safety. All key racecourse staff will have a working FRS Two-Way Radio should there be a need to contact them during the race.

A limited number of rental FRS Two-Way Radios will be made available on a first-come-first-served basis and we feature an on-line coupon for Motorola Talkabouts on each Host Site Salomon AC page.

GEAR RECOMMENDATIONS

The following is a list of items that are **NOT** mandatory for the race but are recommended for your comfort and performance. **Remember, you can put these items in your two gear bags for a 'just-in-case' situation.**

- Long pants/tights - *should be considered for any bushwhacking sections to protect legs*
- Synthetic shirt (for moisture mngt.) - *keeps you dry in cold conditions and cool in hot conditions*
- Windproof/Waterproof breathable jacket
- Extra Clothes for Warmth
- Sturdy shoes
- Insect Repellent
- Water Purification Tablets – *in case you run out of water whilst between TA's*
- Food
- Gloves
- Hi-lighter, pens, and pencils (to mark course on map)
- Survival Mirror
- Sunscreen
- Additional water carrying capacity if you feel that your team will be longer on the racecourse
